REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The patent documents submitted 18 MAY 2004 with the request for RCE do not disclose the claimed centrifuge. The "G-Force corp." Investor Brochure submitted 18 MAY 2004 does not disclose the claimed centrifuge, particularly the recited configuration of the tubes in the arm assembly as set forth in claims 1 and 23. Claims 1-31 thus remain allowable over the prior art of record.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Charles E. Cooley whose telephone number is (571) 272-1139. The examiner can normally be reached on Mon-Fri. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
